

Annual Community Program Sponsorship

The Quidi Vidi - Rennie's River Development Foundation is proud to be part of a generous community that agrees with our mission to, through education, advocacy and stewardship, inspire the protection, conservation and enhancement of freshwater ecosystems.

Today, we are inviting you to participate as an annual sponsor in order to spread your generosity and our environmental programs to a community group of your choice!

We are asking you to **sponsor a community group to attend a program** at The Suncor Energy Fluvarium. The group can be any age or size; consider girl guides, scouts, community centres, schools, senior social clubs, extracurricular groups, or even a book club.

You will be notified of the time the group selects and be invited to join as the group's sponsor. Anonymity will be honored upon request.

The sponsorship amount is determined by the number of individuals in the group, the program and necessity of travel. See the reverse of the page for details.

Please give generously and provide a deserving community group an opportunity to experience our educational programs. *See the following form for more details.*

Special thanks on behalf of all the staff at The Suncor Energy Fluvarium and The Quidi Vidi Rennie's River Development Foundation's Board of Directors.

Kind Regards,

Desiree Newhook
