

Name: _____

Date: _____

Mr. Smith is making a schedule to take care of his plants. He needs to give water and fertilizer to his plants to help them grow. He is also measuring his plants to see how fast they grow.

Find the pattern for each task and fill in the schedule for the whole month.

Sun	Mon	Tue	Wed	Thu	Fri	Sat
		1 	2 	3	4 	5 
6 	7	8 	9 	10 	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30	31
